

Bank Teller

Farmers State Bank is seeking a dependable, detail-oriented person with a professional attitude to join our team as a Bank Teller.

The Bank Teller will respond to customer service requests, process payments, accept deposits, handle withdrawals, maintain and balance cash supplies. The successful candidate will need basic math and computer skills, possess strong customer service skills, have the self-confidence with a helpful attitude in order to provide product solutions to our customers, and take pride in their work being accurate. The Bank Teller also maintains customer confidence and protects bank operations by keeping information confidential.

We offer an excellent compensation and benefit plan, which includes Medical, Life, 401(k), Profit Sharing, and more.

Farmers State Bank is proud to be an equal opportunity employer and encourages all qualified individuals to apply by sending their resume, and completed employment application in PDF format to the following address:
